EXPERIENCE

2022 - Present **FREELANCE GRAPHIC DESIGNER**
Sincerely, SB
Worked with clients to define requirements, establish scopes, and implement design feedback to improve project outcomes. Developed creative design for posters, brochures, banners, logos and signs.

May - Aug. 2023 **MARKETING INTERN**
Cyntergy
Increased knowledge of Adobe Creative Suite, and instructed superiors how to utilize Adobe products for future projects. Photographed various sites and events, made print products as well as templates, and helped execute the weekly all-staff meeting including making the PowerPoint slides.

Dec. 2023 - Present **INDUSTRIAL DESIGN CONTRACTOR**
Zebco, Rather Outdoors
Collaborated to push projects forward, completed revisions, presented concepts for projects assigned and not; including licensed partnerships, and submitted cosmetic specs for new platforms. Gained intermediate knowledge of Keyshot 12-Studio, designed fishing combos, finished website renderings for numerous projects, made logos and a handful of print projects including packaging design.

July - Present **CREATIVE COMMUNICATIONS SPECIALIST - GRAPHIC DESIGN**
Oklahoma State University
Used InDesign and Illustrator templates to produce and copy edit fact sheets, rack cards and a quarterly newsletter. Watched over 60 hours of training for accessibility, including LinkedIn Learning and Creative Pro, and put it into practice. Learned the project management app, Wrike and utilized it to complete various tasks.
